Franz Kafka

La metamorfosis y otros relatos (Spanish Edition) Franz Kafka

Kafka, una de las figuras más significativas de la literatura del siglo xx por la sorprendente modernidad de los temas que aborda en su obra y el enfoque que les da, escribió *La metamorfosis* a finales de 1912, en poco más de dos semanas. En esta novela aparecen tratados de una manera simbólica los problemas de la soledad, la frustración, la arbitrariedad y la angustiada sensación de culpa que experimenta el individuo al verse amenazado por unas fuerzas desconocidas y superiores que no alcanza a comprender ni puede controlar. En la presente edición, además de *La metamorfosis*, se incluyen otros dos relatos —*La condena* y *En la colonia penitenciaria*— que el propio Kafka planeó en algún momento publicar juntos bajo el título *Castigos*, aunque nunca lo llegó a realizar. El nexo entre los tres relatos es la problemática relación entre la autoridad, representada por el padre o el poder autoritario, y el individuo, ya sea el hijo o un hombre cualquiera, así como el castigo que esa desigual relación siempre conlleva.

Bernice Cofield:

Spent a free time for you to be fun activity to try and do! A lot of people spent their sparetime with their family, or their particular friends. Usually they accomplishing activity like watching television, likely to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Can be reading a book can be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the reserve untitled La metamorfosis y otros relatos (Spanish Edition) can be excellent book to read. May be it can be best activity to you.

Keith Kemp:

The reason? Because this La metamorfosis y otros relatos (Spanish Edition) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the e-book store hurriedly.
