## **Management of Dementia** Serge Gauthier, Clive Ballard

The second edition of *Management of Dementia* combines a balanced review of the latest knowledge and research in this area with practical guidance based on the authors' considerable personal experience of dementia care. It is directed at professionals working in the area who want to practice evidence-based medicine without losing sight of the patient and who want to be sure of dispensing the most appropriate pharmacology while also using other non-pharmacological treatments to their optimum effect. Concise and easy to read, the completely revised *Management of Dementia* provides readers both with a full knowledge of the evolution of modern dementia care and also with the basis for understanding new developments as they occur.
