The War on Sex: Western Repression from the Torah to Victoria Chad Denton

From earliest times, sex has fascinated and repulsed society in equal measure. In an effort to untangle Western society's complex relationship with the realities of sex, this provocative volume explores the ways in which governments, religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history. From the sacred texts of ancient Israel to the slums of 19th century Britain, this book explores political, legal and cultural controls on consensual sex and the individuals and movements that resisted them. Topics range from prostitution and homosexuality to marriage, contraception and abortion. While traditional narrative holds that Europe alternated between sexual freedom and oppression through the Victorian age, this work reveals that the real story of how sex was regulated--and how people defied regulation--is not so clear cut.

Lorenzo Davis:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The War on Sex: Western Repression from the Torah to Victoria can make you truly feel more interested to read.
