*Love is her enemy...until his beast sets her free.*

*The Lost Alphars Series, Book 1*

Cymbeline Kendall's life is quiet, solitary—until a letter appears in her P.O. box. Then she becomes an Incendiary, a human chosen at birth to be trained to strike like lightning to take out the most dangerous of the Werekind, then fade back into the shadows.

She is a weapon only to be used by the leader of North American shifters. But when she learns the Alphas was unseated three years ago, she sets out to find who's been pulling her trigger.

Kerrick Masterson has borne the burden of leadership for only a short time, yet he already feels the Alpha power tempting his soul toward the insanity that destroyed his predecessor. He has no time for the woman who breaks into his compound claiming to be his Incendiary, but his beast insists he make the time—for his mate.

In one searing, soul-consuming breath, everything Cymbeline was taught to believe is ripped away. Yet the mystery of who's been sending her orders remains...and finding the answer could lead to all-out war.

*Warning: Contains an assassin who doesn't tolerate those who hurt the weak, and a shifter leader determined to unlock his new mate's repressed emotions—even if that puts his balls at risk. Explicit sex, violence, and references to abuse that could be rough on sensitive readers.*
