Asexuality and Sexual Normativity: An Anthology

Asexuality and Sexual Normativity: An Anthology

The last decade has seen the emergence of an increasingly high profile and politically active asexual community, united around a common identity as 'people who do not experience sexual attraction'. This unique volume collects a diverse range of interdisciplinary empirical and theoretical work which addresses this emergence, raising important and timely questions about asexuality and its broader implications for sexual culture. One of the most pressing and contentious issues within academic and public debates about asexuality is what relationship, if any, it has to sexual dysfunction. As well as collecting cutting edge scholarship in the emerging field of asexuality studies, rendering it indispensable to any sexualities course across the range of disciplines, this anthology also addresses this urgent debate, offering a variety of perspectives on how and why some have pathologised asexuality. This includes a range of chapters addressing the broader issues of sexual normativity within which these contemporary debates about asexuality are taking place.

This book was originally published as a special issue of *Psychology and Sexuality*.

Cynthia Barksdale:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Asexuality and Sexual Normativity: An Anthology can make you really feel more interested to read.
