Heaven Forbid: An International Legal Analysis of Religious Discrimination Anne-Marie, Dr Mooney Cotter

As the population becomes more diverse internationally, Religious Discrimination has become increasingly important as an area of law around the world. Heaven Forbid allows readers a better understanding of the issue of religion and inequality and aims to increase the likelihood of achieving equality at both national and international levels for those suffering religious discrimination. Discussing the two most important trade agreements of our day – namely the North American Free Trade Agreement and the European Union Treaty – in a historical and compelling analysis of discrimination, Heaven Forbid provides a detailed examination of the relationship between religious issues and the law, and will be an important read for all those concerned with equality.
