Mark Apostolos should be able to have any man he wants. Handsome and smart, he's also cripplingly shy, especially around attractive men. Tired of waking up alone, he's desperate to conquer his insecurities and have a real, meaningful relationship.

He gets his first opportunity when he tags along to his sister-in-law's dance class and lays eyes on the sexy instructor. Seth Miller has a way of moving that takes his breath away. It isn't long before sparks fly and they share a steamy kiss, but Seth wants much more than just a casual encounter.

If Mark wants a real relationship with Seth he'll have to come to terms with his sexuality—but will it be enough to break through the walls he's built up around his heart?
