Do! Gita Wolf

Do! is a set of action pictures rendered in the elegantly minimalist Warli style of tribal art. It introduces basic verbs to the young reader through a series of delicately drawn pictograms, which both illustrate the verb and tell a further string of stories. Every page or pair of pages invites the child to explore a busy world and make up her own tales. The art conjures up a world teeming with human figures, animals, plants, and birds.

The illustrations in *Do!* were made by people belonging to a tribal community in Maharashtra, in western India. Ramesh Hengadi, Rasika Hengadi, Shantaram Dhadpe, and Kusum Dhadpe are the artists featured in this book.

Do! was conceived of by **Gita Wolf**, who has written more than seventeen books for children and adults. A highly original and creative voice in contemporary Indian publishing, she has pursued her interest in exploring and experimenting with the form of the book and its status as a revered cultural object.
