Otro mundo.... Discrepancias, sorpresas y derivas en la antimundialización (Sociología) (Spanish Edition)

Michel Wieviorkova

Otro mundo.... Discrepancias, sorpresas y derivas en la antimundialización (Sociología) (Spanish Edition) Michel Wieviorkova

Un conjunto de 14 ensayos divididos en tres partes. La primera: Acercamientos y nociones, reúne análisis de alcance general y propone modos de razonamiento que corresponden a dos grandes familias intelectuales, una que insiste más en el actor y sus orientaciones, y otra que para comprender la acción se coloca en el sistema del mundo y sus transformaciones. La segunda parte, Momentos y virajes, considera con mayor precisión la densa historia del movimiento altermundista. La última parte, Cambios de perspectiva, hace hincapié en el punto de vista de las sociedades francamente opuestas a la globalización, como el nacionalismo islámico. Esta obra da pie a la discusión en el seno mismo de los movimientos altermundistas, contribuye al análisis y la reflexión de su historia, evolución y propuesta. Para el autor y los especialistas que colaboran en este libro, impugnar la globalización puede contribuir a construir otro mundo, más justo, vivo y abierto.
