## **Power and Its Disguises: Anthropological Perspectives on Politics (Anthropology, Culture and Society)**

John Gledhill

'Gledhill manages to cover a lot of ground in drawing out the thematic and theoretical focuses of political anthropology, brilliantly giving them life through a wide variety of empirical examples. ... The book will serve as a very good introduction to political anthropology for any student of power and politics.' *Journal of Peace Research*

In this fully updated edition of *Power and Its Disguises*, John Gledhill explores both the complexities of local situations and the power relations that shape the global order. He shows how historically informed anthropological perspectives can contribute to debates about democratisation by incorporating a 'view from below' and revealing forces that shape power relations behind the formal facade of state institutions. Examples are drawn from Brazil, Cameroon, Democratic Republic of Congo, Guatemala, Indonesia, India, Mexico, Peru, Sierra Leone, South Africa and Sri Lanka, amongst others.

#### **Maureen Smiley:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Power and Its Disguises: Anthropological Perspectives on Politics (Anthropology, Culture and Society) can make you feel more interested to read.
