Choose a theologically-sound Sunday school curriculum? No trouble.

Conduct annual performance reviews with your ministry staff? Not so simple.

Managing People provides pastors with tips for inspiring and leading staff and volunteers, including:

How to handle tough conversations, when and how to say no, and building and guiding staff and volunteers.

After surveying hundreds of pastors, asking them what they wish they'd learned in seminary but didn't, "practical stuff" was the overwhelming answer.

Practical Stuff for Pastors is a series of how-to guides dedicated to topics like how to manage a team, keep a building running, defuse conflicts, and more.

Full of tips, recommendations, and strategies to equip pastors for running a church on the days between Sundays, these handbooks are valuable tools pastors will reference again and again. Look for the other books in the series: Dealing with Conflict, Leading Change, and Taking Care of Business.
