Royal by Blood is a small group study centered on the subject of the believer's royalty in Christ. The study of 1 Timothy will help to open the spiritual eyes of the reader allowing her to see all mankind from the Heavenly King's perspective. This six-week study explores the role of royalty as well as the role of a servant relating this to the role a believer is called to fulfill in God's family. Each week the focus will be on the passage where Paul instructs Timothy to set an example for others to follow. Topics discussed include: eternity in our hearts, gracious speech, abounding in love, increased faith, being pure, as well as others. The reader will learn how to relate to God, family, and friends based on the value God places on His creation. Most importantly, each reader should take away a greater personal value realizing God calls a believer an heir to His royal kingdom. This is an ideal study for high school and college students as well as accountability groups who desire to build self-esteem and stronger relationships. A free Leader's Guide for this study is available at www.randallhouse.com.
