With: Reimagining the Way You Relate to God Skye Jethani

Stop Living Your Life Under, Over, From and For God and Start Living in Communion With Him.

Endorsements:

If we've grown weary of Christianity, if we find most any local church uninspiring, maybe the problem lies not in the Christian faith or these faithful bodies, but in our own disgruntled hearts. In *With*, Skye Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ. More importantly, he takes readers to the humble place they must occupy?in prayer, studying Scripture, with the Church?if faith, hope, and love are to truly mark our lives. **-James H. Gilmore, author, *The Experience Economy***

Made of the stuff of spiritual classics and presented in simple, contemporary terms, Skye Jethani does each of us a great service in calling us to reimagine the way we relate to God. We so readily fall prey to living out distortions and reductions to our Christian faith?with disastrous consequences. You and I are far more than sinners, consumers, managers, and servants. We are dearly loved by God and made for eternal communion with him. Everything looks different when we live life in response to God's love. **-Paul Louis Metzger, Ph.D., Professor of Christian Theology & Theology of Culture, Multnomah Biblical Seminary and author of *The Gospel of John: When Love Comes to Town***

Cleverly using four prepositions—under, over, from, and for, Skye Jethani convincingly diagnoses the reigning paradigms of life?whether secular or religious—and shows how each one has captured some element of truth but in the end is deficient; Ultimately, they miss the most important thing—real communion with the living God. Thus utilizing one final preposition, With, he lays out what it really means to know and experience communion with God—a life of faith, hope and love?the very things that we all desperately want and need. This is a helpful, encouraging, and inspiring book. **-Jim Belcher, author of *Deep Church***

It doesn't matter, as old theologians were rumored to argue, how many angels can dance on a pinhead. But it does matter which preposition governs your faith?over, after, against, for, from, under, with. Who knew what huge worlds turn on such tiny words? Who knew what theological riches were laced into the bones of grammar? Skye has done a great service to the church. In prose elegant and clear, with insights keen and deep, he shows how everything changes with just one word: With. It's a book I want my whole church to read. **-Mark Buchanan, author of *Spiritual Rhythm***

Who knew that a preposition had so much influence? Skye's book will challenge the way that you think about God and faith digging deep into our motivations and heart issues. You can't read this book and not see yourself and others differently! **-Margaret Feinberg, author of *Scouting the Divine and Hungry for God***

This book will do for our generation what J.B. Phillips, in his classic *Your God is Too Small*, did for his. *With* reveals views of God that can't satisfy and opens up the possibility for exploring a life with God that more than satisfies. **-Scot McKnight, author of *One.Life* and *The Blue Parakeet*, professor of theology and biblical studies at North Park University**

Since I dove into *With*, I can't stop thinking about it. Skye Jethani's insights will change how you think about

God...and you...and how the two of you relate. -**Dr. Kara E. Powell, Executive Director of the Fuller Youth Institute**

From reader reviews:

Alex Thayer:

Book is usually written, printed, or created for everything. You can understand everything you want by a publication. Book has a different type. As you may know that book is important matter to bring us around the world. Close to that you can your reading skill was fluently. A publication With: Reimagining the Way You Relate to God will make you to end up being smarter. You can feel far more confidence if you can know about every little thing. But some of you think that open or reading some sort of book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you trying to find best book or suitable book with you?

Mary Deemer:

What do you consider book? It is just for students since they are still students or that for all people in the world, the particular best subject for that? Only you can be answered for that issue above. Every person has diverse personality and hobby for every single other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book With: Reimagining the Way You Relate to God. All type of book could you see on many solutions. You can look for the internet methods or other social media.

Susan Tokarz:

This With: Reimagining the Way You Relate to God is great guide for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. That book reveal it info accurately using great organize word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having With: Reimagining the Way You Relate to God in your hand like obtaining the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen minute right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. hectic do you still doubt which?

Patricia Howard:

Is it you actually who having spare time in that case spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This With: Reimagining the Way You Relate to God can be the answer, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these guides have than the others?
