**Praise for *Auditing Leadership: The Professional and Leadership Skills You Need***

"From networking to e-mail, from team-building to selling yourself, Brian shows how to create a well-organized and effective working life. Although aimed at auditors, the countless ideas put forth in this book can be used by individuals in every field to grow and become more successful in their chosen careers. In fact, one particular assertion summed up the entire thesis for me: 'success is a mind-set, not a finish line.' Kush offers a multitude of unique and creative suggestions for establishing that mind-set."

"*Auditing Leadership* is a must-read for new graduates and a solid resource for seasoned professionals. Brian Kush has taken a wide range of best practice advice and distilled it into a fantastic handbook for the auditing profession."

—**Andrew Prather**, CPA, Shareholder Clark Nuber PS

"Brian's book takes you beyond the technical skills of auditing to help you become both a professional and a leader. The scope of topics covered is impressive, from e-mail communications to accountability to planning your future. The book includes sound, actionable advice that will benefit auditors at all stages of their careers, from staff to partner."
