Flat broke, she eagerly accepts their invitation to spend a night at their ranch, but things take an unexpected turn when she wakes up to find her **chest has grown to humongous proportions overnight**. She can barely tolerate the pain from her **swollen and engorged breasts**, but the cowboys are more than glad to help take some of the pressure off.

Amber isn't sure how she feels about what the cowboys have done to her, but she can't deny her attraction to the **strong and virile men**. Will she leave for greener pastures, or will the **young and fertile woman** stay on at the **dairy farm** as their **newest milkmaid**?
