Qualitative Research for the Social Sciences Marilyn V. Lichtman

Focusing on the integral role of the researcher, **Qualitative Research for the Social Sciences** uses a conversational writing style that draws readers into the excitement of the research process. Marilyn Lichtman offers a balanced and nuanced approach, covering the full range of qualitative methodologies and viewpoints about the field, including coverage of social media as a tool to facilitate research or as a venue for study. After presenting theoretical concepts and a historical overview, Lichtman guides readers, step by step, through the research process, addressing issues of analyzing data, presenting completed research, and evaluating research. Real-world examples from across the social sciences provide both practical and theoretical information, helping readers understand abstract ideas and apply them to their own research.
