**Mulla Sadra and Eschatology: Evolution of Being (Routledge Sufi Series)** Eiyad S. Al-Kutubi

The book explains Sadr?'s theory of the nature of afterlife. It presents Sadr?'s philosophical premises concerning the nature of human beings and their physical and psychological developments through which Sadr? shows how the afterlife is intimately connected to the nature of the human being and how it is a natural stage of the evolution of each individual in which a corporeal body has no role.

Presenting Mull? Sadr? in a new light, the aim of this book is to investigate Sadr?'s metaphysical principles of the Return (*al-ma'ad*) that have been either partially presented or misunderstood in most of the existing secondary literature. Focusing on Sadr?'s philosophical works, specifically the *Asf?r* and his commentary on the Quran, this study demonstrates how Sadr? is a philosopher able to carry the premises of the previous philosophical theories to radically different conclusions. *Mull? Sadr? and Eschatology* demonstrates the manner in which Sadr? explains the Return as presented in the Quran and Hadith, but also shows how he presents the Return as a natural stage of the evolution of human beings in which a corporeal body has no role. Thus, Sadr? offers a plausible philosophical explanation to the problem of bodily resurrection that had occupied Muslim philosophers for centuries.

Explaining *Mull? Sadr?*'s distinctive method of "doing" philosophy, this book will be of interest to students and scholars of Islamic Philosophy, Religion and Islamic Studies more broadly.
