Have you ever wondered if there is there life after death? Where do people go when they die? Whether it's possible to keep in contact with your loved ones after they die? And are they able to help you? Will you meet them again? Guided by Angels provides answers and comfort for all of these questions, and more.

For decades, Paddy McMahon has acted as a bridge between the spiritual and human realms, helping people to connect with their angels, or spirit guides. He believes that we are born with spiritual connections to one or more angels, and if we want their help in life we need to be open to receiving their assistance.
