What's worse than killing a cop? Eating him afterwards. Which is exactly what happened to a Los Angeles County sheriff on Mulholland Drive. Now Mallory Caine, zombie at law, faces the toughest trial of her life--her own--since she's the prime suspect. Ironically, Mallory's been suppressing her undead desires in a 12-step zombie recovery group. It's her human desires that scare her. . .

Anyone You Crave Can And Will Be Held Against You

He's one hot werewolf named Steve "Rawhide" Ravener, and he's Mallory's latest client. His cheating wife has run off with a rival pack, and if he hopes to see their cubs again, he needs a lawyer whose bite is worse than his bark. Needless to say, family law has never been this hairy. And with a murder charge hanging over her head, a snake goddess charming her mother, and all kinds of hell-spawn taking over L.A., Mallory's plate is full. And she's dying to take a bite. . .
