John Arcudi

Predator: Prey to the Heavens #2 (Predator Vol. 1) John Arcudi

Where there is armed conflict, there is money to be made. And in the midst of a third-world civil war, the military contractors of Graham Directive Security have sold their skills to shield their corporate clients from the sectarian violence tearing a country apart. But the GDS guns-for-hire soon discover that they are in the midst of not one, but two civil wars, one of extraterrestrial origin. And while the brutality and ruthlessness of mankind is well documented, it is nothing compared to the heartless savagery exhibited by the star-spawned Predators, especially when warring clans of the alien terrors are each sworn to wipe the other from existence. Predator returns with a vengeance in a lethal series written by John Arcudi (Aliens, B.P.R.D.) and illustrated by Javier Saltares (Ghost Rider).
