Meet Zenon Kar. She's your typical elementary school kid, except she lives on a space station in 2049! These humorous stories about Zenon are all reality-based so kids can easily identify with her situations. In book #3, when an important Earth scientist visits Space Station 9, Zenon agrees to entertain his daughter, Teena. At first Zee's job is easy. Teena seems polite and well behaved. But when the adults turn their backs, she changes completely! All Teena cares about is having fun, even if it means breaking all sorts of space station rules. Written and illustrated by the award-winning husband-and-wife team who created P. J. Funnybunny and Alistair.

From the Trade Paperback edition.
