Gender and Urban Poverty in South Asia: Proceedings Report of the 2012 Subregional Workshop

In March 2012, the Asian Development Bank (ADB) held the Subregional Workshop on Gender and Urban Poverty in South Asia to share experiences and enhance lateral learning among ADB and its project partners on addressing gender and social inclusion issues in urban development projects in Bangladesh, Bhutan, India, the Maldives, Nepal, and Sri Lanka. Participants included senior government officials, nongovernment organizations, community-based organizations, researchers, ADB urban and gender specialists, and representatives of international development agencies. This report presents the synthesis of knowledge, experiences, good practices, and recommendations shared at the forum with the aim of assisting ADB and its partner agencies in the planning of urban development projects to facilitate gender- and socially inclusive outcomes and reduce poverty in South Asia.
