The Extraordinaires 1: The Extinction Gambit Michael Pryor

The intriguing beginning of a brilliant new fantasy trilogy from the master of magic, Michael Pryor.

Kingsley Ward is in dire trouble. Instead of thrilling the audience with his death-defying escapology, his first performance ends in disaster when his hidden wolfish nature bursts free. That same night, his father is abducted and his home ransacked.

To find Dr Ward and redeem himself, Kingsley braves the Demimonde, the mysterious world that exists alongside our own. He is soon the target of two warring factions: immortal magicians whose diabolical plans will create mayhem at the 1908 Olympics, and the last Neanderthals, whose vengeance will wipe out humankind.

Kingsley needs help. The famous author Rudyard Kipling will assist, but why is he so interested in Kingsley? Evadne Stephens, juggler and weaponsmith, is a Demimonde expert - but what does her mercurial nature conceal?

Bizarre plots. Sinister magic. The extraordinary is about to happen . . .
