The Fabric of Affect in the Psychoanalytic Discourse (The New Library of Psychoanalysis) Andre Green

The Fabric of Affect in the Psychoanalytic Discourse is a seminal work on one of the most neglected topics in psychoanalysis, that of affect. Originally published in French as *Le Discours Vivant*, and by one of the most distinguished living analysts, the book is structured in three parts:

- Affect within psychoanalytic literature
- Clinical practice of psychoanalysis: structure and process
- Theoretical study: affect, language and discourse; negative hallucination

Written in a clear, lucid style, connecting theory to both culture and clinical practice, this book will appeal to psychoanalysts and psychotherapists, and also to those involved in cultural studies.
