Faith Russell refuses to be with a man who feels a sense of obligation toward her. Sure, she's been through some traumatic events that have left her a little shaky. That doesn't mean she needs Sheriff Ben Wheeler hovering. She'll be fine...on her own.

Despite her protests, however, Ben won't budge. He insists they share a romantic connection that deserves to be explored. She'll admit she finds him attractive, but how can she be close to a man who might view her as a duty? It's not until she catches a glimpse of herself through his eyes that she discovers what he feels for her is very real.
