Dodo Collections brings you another classic from Bramah Ernest, 'Max Carrados.'

Ellery Queen calls this first volume of his adventures, "One of the ten best volumes of detective shorts ever written!" Blinded in an accident, Carrados developed remarkable abilities. He can read newspaper headlines with a touch of his fingers, recognize a friend he has not seen in twenty-five years by his voice, and detect a man wearing a false moustache because "he carries a five-yard aura of spirit gum." Nor did his loss of sight affect his sense of humor, his compassion, or a sense of justice which forces him to skirt the law to see the innocent is protected and the guilty punished. As the author puts it, Carrados' blindness "-but so far from crippling his interests in life or his energies, it has merely impelled him to develop those senses which in most of us lie dormant and practically unused. Thus you will understand that while he may be at a disadvantage while you are at an advantage, he is at an advantage while you are at a disadvantage." Working with his old friend, Louis Carlyle, a private investigator, the wealthy Carrados pursues his talent for detection whenever he pleases without accepting a fee. The exchanges between the humorless Carlyle, eager for Carrados help but unwilling to admit his bafflement, and the gentle malice of the perceptive Carrados are among the high spots of the stories.

Bramah was a reclusive soul, who shared few details of his private life with his reading public. His full name was Ernest Bramah Smith. It is known that he dropped out of Manchester Grammar School at the age of 16, after displaying poor aptitude as a student and thereafter went into farming, and began writing vignettes for the local newspaper. Bramah's father was a wealthy man who rose from factory hand to a very wealthy man in a short time, and who supported his son in his various career attempts.

Bramah went to Fleet Street after the farming failure and became a secretary to Jerome K. Jerome, rising to a position as editor of one of Jerome's magazines. At some point, he appears to have married Mattie.
