A STAND ALONE NOVEL

Naiara Giordano was every man's dream and also their worst nightmare. At the age of twenty four, she was one of the top assassins in the world, all thanks to her mother Martina. Martina Beltre taught her daughter that love was a weak emotion and showing emotion would get her killed. Nai never saw herself falling in love and to be honest, she never wanted to because of the things her mother instilled in her head. But fate has a way of changing things that will cause her to see things differently.

Rari King was every woman's fantasy. He's strong, confident, sexy and a boss. At twenty seven, the street life was becoming old to him and sleeping with different women was becoming older. Just like Nai, Rari had never been in love, but wasn't afraid to explore it. One night the two conveniently cross paths and Rari feels something he's never felt before.

Fia Lopez is Nai's best friend and girlfriend of Rari's cousin Jason. She wants nothing more than for her best friend to be happy and give Rari a chance. But Fia has her own secrets and issues that come back to haunt her in the worst way. Can her relationship with Jason stand the test of time or will her past tear them apart?

Tensions flare up when the lies told by Martina shake the very foundation in which Naiara believed. What is her issue with Naiara? Why is she willing to put her revenge over the safety of her daughter?

Lies, deceit, backstabbing, murder and a whole bunch of drama rocked the lives of these individuals. Will they be strong enough to defeat their problems? Or will one person seeking revenge destroy them all? Find out in this explosive standalone that will have you on the edge of your seats.
