The Greatest Secret of All: Simple Steps to Abundance, Fulfillment, and a Life Well Lived Marc Allen
The law of attraction — how to use the mental and physical abilities we were born with to create wealth and success — is wonderful to know, but many who have discovered this “secret” still lead miserable lives. The Greatest Secret of All clearly explains this law of manifestation but then takes it a quantum leap further, revealing what is truly important in life.

We have what we need within us to do what we love, to be the people we dream of being, and to become completely fulfilled along the way — to become, as Abraham Maslow put it, self-actualized.

We also have the capability, here and now, to create a world that works for everyone. In these pages, you will find the secret to a life of happiness, inner peace, ease, and fulfillment, and the secret that lets each of us contribute to making the world a better place for all.
