Transnational Social Support (Routledge Studies in Health and Social Welfare)

Transnational Social Support (Routledge Studies in Health and Social Welfare)

In the context of ever-increasing globalization, transnational systems of support have emerged in response to the needs of transnational families, labour forces, and the communities within which they are located. This volume will be the first to systematically address transnational support research from a theoretical and empirical perspective, making the concept of transnationality part of the core knowledge structure of social work.
