**Un Japón que no nos cuentan: Viajar a Japón (Spanish Edition)** Perla Domínguez

Solo en Japón, fuera de Occidente, la vida cotidiana es comparable a la nuestra. Pero a la vez es totalmente distinta, y esta paradoja ha generado malentendidos. Su exotismo no es el que solemos creer: muy real y deleitable, circula en profundidad, y abre además, al descubrirlo, nuevas perspectivas sobre nosotros mismos. Mediante anécdotas vividas y deteniéndose en algunos puntos históricos que nos conciernen, la autora desvela una realidad muy distinta de la que imaginamos, y cuestiona algunos consejos turísticos que por su enfoque estandarizado llevan casi irremediabilmente a estropear el viaje.
