Climate scientist Chase Anderson races from one project to the next, unwilling to slow down in his quest to save the world's oceans. He has no time for family or relationships until he crashes into an impetuous blonde with a quirky sense of humor. One sizzling kiss makes him seriously reevaluate his priorities. And his sanity. Emma Maguire left her small Cape Cod hometown years ago, seeking the fast pace and anonymity of New York City. She's not sure what she's searching for, but when a family crisis brings her home to Provincetown she's caught in a crazy tangle of half-truths and mistaken identity... and falls for the handsome stranger who broke her cell phone. Will untangling the web of lies drive them crazy, or lead to something even crazier – like love?
