This examines the formation of gay and lesbian identities communities and movements, ‘cyber-queer’ research, sexuality and space, generational issues in lesbian and gay lifecycles and the subject of bisexuality. * Institutions. This investigates questions of the governance of sexualities, lesbian and gay health, sexualities and education, religion and homosexuality, homosexuality and the law, gay and lesbian workers, homosexuality and the family, and lesbian, gay and queer encounters with the media and popular culture. * Politics.
