A Highlander Christmas (Pine Creek Highlanders Series Book 7) Janet Chapman

Camry MacKeage has absolutely no intention of telling her parents that she left her job as a NASA physicist for the small-town life of a dog-sitter -- which is why she's spending the holidays alone in coastal Maine with her furry friends Tigger and Max. Unfortunately, her irresistibly handsome rival, scientist Luke Pascal, accidentally spilled the beans. Now he's on a mission from her mother to tempt Camry home for the family's annual winter solstice celebration. But Luke is hiding his own secret, and he'll need a little bit of magic to earn Camry's trust...and a whole lot of mistletoe to seduce his way into her heart.
