From the *New York Times* bestselling author of *Keeper of the Castle*, San Francisco contractor and ghost whisperer Mel Turner must solve a murder mystery at a haunted mansion in the Pacific Heights...

San Francisco millionaire Andrew Flynt wants to sell his Victorian mansion, but ghostly music, the squeaking of a long-disappeared weathervane, and an angry ghost keep running off potential buyers. After a famous psychic is called in, she informs the Flynts that their multi-million-dollar renovations to “update” the home have left its resident ghost extremely agitated. So contractor Mel Turner is engaged to track down and replace some of the original features of the house.

But when the beautiful psychic is found stabbed, it appears someone had a very human motive for murder. Now Mel must use her ghost whispering gift to uncover the secrets of the haunted house on the hill, and her sleuthing skills to catch a killer.
