## Love on the Dotted Line: A Novel David E. Talbert

The author of the *Essence* bestselling novel *Baggage Claim* delivers a provocative and richly entertaining new novel about what happens when love and litigation collide.

Morgan Chase, a thirty-four-year-old contracts lawyer, is pushed to her romantic wit's end when she discovers that her boyfriend of nine months, investment banker Marcus Alexander, has been diversifying his "portfolio" with another woman. After a few hours of venting with her girlfriends, and more than a few drinks, Morgan decides that the only way you can guarantee that a man will act right *after* you've been intimate is if you make him sign a contract *before* you've been intimate.

That very same night, Morgan heads back to the office to create the first-ever relationship contract -- a legal document full of conditions, consideration, and most important, consequences.

Sparks fly, tempers flare, and emotions hit the fan when the man Morgan finally convinces to sign her contract is caught red-handed with another woman. What follows is an ingeniously plotted and thoroughly entertaining fusion of comedy, romance, and courtroom mayhem.

What happens when love itself is put on trial? One thing's for sure...hell hath no fury like an attorney scorned!
