Three brothers. Three bachelors. Three bear shifters. Three billionaires. Does it get better than that?

Brady ~ Book 1

She's a curvaceous black beauty. He's from a secret family of billionaire bear shifters. Despite their so-called "imperfections," these two find each other completely flawless....

Meet Penelope. After living the crazy life of a city girl, this former California beauty moves to a remote mountain town to take over her recently deceased mother's lodge. Penelope is looking forward to a life of predictability, freedom and, if, the stars align properly, love, in her new life. She hopes to assume control of the lodge smoothly, and without drama.

But after Penelope meets Brady, a man who is beautiful, brilliant, and a *billionaire*, her dreams for calm get flipped upside down. Brady's known around these parts as being a bit of a player, hooking up with travelers and passers by. But he's also known to be generous with his time and money, kind-hearted, and...harboring a secret....

After Brady rescues Penelope from a near attack by a black bear, she senses that something is different about this man, too, but she can't quite put her finger on it. She knows that she is desperate to get close to him. Brady knows he wants to claim her as his mate, as he is unable to resist Penelope's dark skin, independent spirit, and beautiful curves. *Will Penelope overcome her insecurity and allow herself to open up to a love that is not just out of the ordinary, but completely intoxicating? Or, will she keep herself closed off, and risk losing what could be the alpha love of her life?*

Beck ~ Book 2

Loving your home doesn't mean you want to stay there forever. Loving yourself doesn't mean you want to stay exactly the same....

Although Crista is a feisty, fun and young bartender, she's wise beyond her years. However, after working in the mountain village bar for several years, she's had to put up with so many disrespectful patrons, and she's just tired of it. A near knock-down, drag out with some bar asshole is intervened by Beck, who is back in his home town, trying to reconnect, *honestly*, with his past.

The moment Beck sees Crista, he wants to claim her as his mate. However, despite the fact that he's a big strong grizzly shifter, he's terrified of loving himself. *Will Crista's tough love get Beck to ultimately reveal*

his inner shifter?

Bodhi ~ Book 3

The blood of the covenant is thicker than the water of the womb....

Meet Camille. This fast-talkin' feisty curvy girl wants nothing to do with her best friends', Penelope and Crista's, bear shifter boyfriends, brothers Brady and Beck. In fact, Camille *promised* her parents that she would stay away from bear shifters. After finding out her grandfather was killed by a bear shifter, she has no interest in hanging out with bear shifters, and she *certainly* has no interest in falling in love with one!

But along comes Bodhi, the "little" brother of Brady and Beck. After meeting Camille, Bodhi knows she's his mate, and Camille inadvertently learns that there is nothing "little" about Bodhi! Bodhi also knows not to push the matter. Otherwise, any subtle aggression could scare Camille away.

Despite Camille's resistance, she finds herself falling hard for Bodhi's sweet nature and charm during a trip to the bear pack's hidden mountain camp. *Will Camille go against her parents' wishes?*

The ***One in a Billion Bear Series*** is intended for *mature audiences only, age 18+*. This work of fiction is the product of the author's wild and fun imagination. Any similarities to real life characters, places, and events are completely unintended and purely coincidental.
