Margherita Sarrocchi

## Scanderbeide: The Heroic Deeds of George Scanderbeg, King of Epirus (The Other Voice in Early Modern Europe) Margherita Sarrocchi

The first historical heroic epic authored by a woman, *Scanderbeide* recounts the exploits of fifteenth-century Albanian warrior-prince George Scanderbeg and his war of resistance against the Ottoman sultanate. Filled with scenes of intense and suspenseful battles contrasted with romantic episodes, *Scanderbeide* combines the action and fantasy characteristic of the genre with analysis of its characters' motivations. In selecting a military campaign as her material and epic poetry as her medium, Margherita Sarrocchi (1560?–1617) not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was, until that point, the sole purview of men.

First published posthumously in 1623, *Scanderbeide* reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications.
