Sobre los ríos que van (Spanish Edition) António Lobo Antunes

Una operación grave mantiene António Antunes, trasunto del autor de la novela, en cama. Cáncer, dolor, recuerdos, un mundo que se está cayendo a pedazos, pero al mismo tiempo, todo un mundo de recuerdos vagan por su mente, aturdida quizá por la anestesia y los medicamentos. Los recuerdos que se suceden van desde la infancia hasta el presente, como si de un río largo y hostil se tratara.
