The Cardmaker's Workbook: The Complete Guide to Design, Color, and Construction Techniques for Beautiful Cards Jenn Mason

The most complete volume on card making available

The Cardmaker's Workbook is the only book on cardmaking that a crafter will ever need, and is formatted in a sturdy volume that can be kept on the desk and referred to again and again. The book is divided into chapters focusing on composition, color, theme, construction and inspiration. Instructions are clear but concise, making room for large pictures and multiple variations. It has the look of a designer's notebook with sketches and templates that show different card formats. Unlike other cardmaking books available that are occasion driven or aren't stylized, *The Cardmaker's Workbook* provides an inspiring and hands-on tool for paper addicts to use to expand their skills and stretch their imagination.

The designs cover many different styles, from detailed multi-layered beauties to simple cards that can be quickly made and given as a set of stationery.
