Twins Jonathan and Penny Lake, descendants of the first Jonathan Lake, are two feisty young Aussie kids who will follow in their ancestor's footsteps when called upon to save the world from the dastardly Blotmorgues. They are joined by Yuri, an Australian Aboriginal, who has grown up listening to the Dreamtime stories of his people, and has been entrusted with a powerful tool in the fight against evil. When the Aussie youngsters meet up with Seana, a distant English relative of the Lake family, then the team is complete, and together they take up the challenge to save the world.

Attending the Lakes' School of Wizardry, the children study wizardry with an Australian twist, and are encouraged to embrace "The Knowing" - a gift that every wizard possesses. The Blotmorgue family has continued to dabble in the dark arts, and when the Hourglass resurfaces the world is in great peril once more. When Baron Blotmorgue attempts to control the power of the Hourglass of Lochleigh for his own evil purposes, 'Mother Earth' is faced with the possibility of eternal darkness. The Blotmorgue's reckless pursuit of power can only lead to disaster.

Join four young wizards-in-training as they race against time to save the world from evil. Find out if they can combat the evil of the Hourglass and take it to the one source that can overcome its dark power - the Rainbow Serpent of the Dreamtime stories.
