In this new series by the acclaimed author of the Belle Palmer mysteries, RCMP Corporal Holly Martin takes charge of her first post, a detachment in tiny Fossil Bay on the wild south coast of Vancouver Island. Drunk drivers, speeders and the occasional theft from tourist cars lead the crime roster, but her first day starts with a distress call. A scuba diver has found the body of a girl in the surf. A tragic drowning caused by a fall? The late arrival of tox-scan results for crystal meth, the most recent plague to hit the island, raises ugly questions. Just before Holly makes an arrest, a record-setting typhoon roars in, empowered to destroy everything in its path. As the wind howls and trees crash around her, Holly struggles to survive and to bring a murderer to justice.
