## **Illusion-01 (Fantascienza) (Italian Edition)** Pasquale Aversano

Depresso, tradito dalla moglie, con un lavoro che non lo soddisfa: di certo la vita di Liam Bulloto non si potrebbe definire felice.

Il monotono tran tran di giornate sempre uguali cambia improvvisamente quando Liam, rispondendo ad un annuncio sul web, acconsente ad indossare per dieci giorni un prototipo di avveniristici occhiali: gli Illusion-01. Per farlo riceverà un compenso di diecimila euro. Ma quali effetti avranno sulla sua psiche? Cosa comporterà indossarli per il tempo richiesto? Quali misteri si celano dietro quelle lenti a specchio così particolari?

Illusion-01 è una vertiginosa discesa negli orrori della mente. Pasquale Aversano, dopo le tragicomiche avventure narrate ne "L'odissea sui binari" cambia registro e ci catapulta in un mondo allucinato e allucinante in cui le certezze si sfaldano e il reale si frantuma in un'irrealtà distorta e spaventosa.

Debitore della fantascienza pessimistica tanto cara agli anni '70, stringato e claustrofobico come uno degli episodi più riusciti de Ai confini della realtà, opprimente come un incubo e ricco di zone d'ombra che spaventano, Illusion-01 ha la rara capacità di incuriosire il lettore fin dalle prime battute e di attanagliarlo in una morsa che non lascia scampo, trasportandolo su un territorio che non presenta vie d'uscita. Siete pronti a inforcare gli occhiali e scoprire il vero significato della parola illusione?

Edito da Bibliotheka Edizioni.
