The Shaughnessy brothers have spent the years since their mother's untimely death taking care of each other and trying to make their father proud. Oldest son Aidan is hard-working, handsome, successful-and still single. Sure, he'd like to have his own family someday, but who has the time?

She'll show him how to find it

Zoe Dalton, a stunning designer Aidan meets on one of his construction jobs, has the beauty and heart to make Aidan realize how much he could be missing. But it's not easy to break down walls you've spent years building up. Now there's a major storm bearing down on the North Carolina coast, and it could be catalyst enough to force Aidan and Zoe into some major decisions of the heart.
