Their God is Too Small: Open Theism and the Undermining of Confidence in God

Bruce A. Ware

Their God is Too Small: Open Theism and the Undermining of Confidence in God Bruce A. Ware

Can you trust a “God” who can’t know the future?

A new theology is trickling down from the lofty halls of academia to the pews of evangelical churches. Called open theism, this novel view of God denies that he fully knows the future and insists that he takes risks by giving humans wide-ranging freedom. This view has disastrous consequences for the everyday faith of ordinary Christians, consequences you can’t afford to ignore.

Their God Is Too Small explains some of the beliefs of open theism and shows their practical implications. Using biblical truth and personal anecdotes, Bruce Ware demonstrates how open theism undermines trust in God for everyday life, particularly in the midst of suffering. This is no dry academic discourse; if you care about God’s glory and your confidence in him, then this book is for you because it concerns the everyday issues of faith.
