**Therapists Guide to Overcoming Grief and Loss After Brain Injury** Janet Niemeier, Robert Karol  
Therapists Guide to Overcoming Grief and Loss after Brain Injury is written as a neurobehavioral and cognitive intervention manual for clinicians who counsel persons with brain injury. The Therapists Guide provides step-by-step protocols, using the content of the patient workbook Overcoming Grief and Loss after Brain Injury. Each of the 9 Lessons can be used as a basis for therapy appointments with consumers. Most mental health clinicians do not fully understand the special learning needs of this client population or how to modify the usual psychotherapy or counseling process to accommodate their unique impairments and allow them to benefit. The Therapists Guide provides the structure, grounded in the current brain injury literature that allows the clinician to teach and guide the client effectively.
