**A Cosy Crime Series (24 Book Series)** Matthew Costello, Neil Richards

**From Book 1:** Cherringham - a quiet town in the Cotswolds. Nothing ever happens there, or so it seems - until one morning a woman's body is found in the river. A terrible accident, according to the police. But is this true? Sarah believes there must be more to it. In Jack, a former NYPD homicide detective, she finds a partner who is willing to start investigating with her. They soon find out that things are not as clear as the police want them to be ... This first - of many cases brings Sarah and Jack together in an unlikely partnership.

-- Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa.

-- For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury.

-- Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), are known for their script work on major computer games. The Cherringham crime series is their first fictional transatlantic collaboration.
