**Alfred Hitchcock: A Life in Darkness and Light** Patrick McGilligan

*Alfred Hitchcock: A Life in Darkness and Light* is the definitive biography of the Master of Suspense and the most widely recognized film director of all time.

In a career that spanned six decades and produced more than 60 films – including *The 39 Steps*, *Vertigo*, *Psycho*, and *The Birds* – Alfred Hitchcock set new standards for cinematic invention and storytelling. Acclaimed biographer Patrick McGilligan re-examines his life and extraordinary work, challenging perceptions of Hitchcock as the “macabre Englishman” and sexual obsessive, and reveals instead the ingenious craftsman, trickster, provocateur, and romantic.

With insights into his relationships with Hollywood legends – such as Cary Grant, James Stewart, Ingrid Bergman, and Grace Kelly – as well as his 54-year marriage to Alma Reville and his inspirations in the thriller genre, the book is full of the same dark humor, cliffhanger suspense, and revelations that are synonymous with one of the most famous and misunderstood figures in cinema.
