From the extravagant escapades of London's high society to the opulent elegance of the rural upper crust, this is an epic tale of wealth, greed and passion that catapults you straight into that ravishingly glamorous and utterly page-turning world of a true blockbuster.

They were born to the scent of success. Now they stand to lose it all ...

Fame, fashion and scandal, the Trevellyan heiresses are the height of success, glamour and style.

But when it comes to ...

- ... WEALTH: Jemima's indulgent lifestyle knows no limits; Tara's one purpose in life, no matter the sacrifice, is to be financially independent of her family and husband; and Poppy wants to escape its trappings without losing the comfort their family money brings.
- ... LUST: Jemima's obsession relieves the boredom of her marriage; while Tara's seemingly 'perfect' life doesn't allow for such indulgences; and Poppy, spoiled by attention and love throughout her life, has yet to expose herself to the thrill of really living and loving dangerously.
- ... FAMILY: it's all they've ever known, and now the legacy of their parents, a vast and ailing perfume empire, has been left in their trust. But will they be able to turn their passion into profit? And in making a fresh start, can they face their family's past?
