Regional Development in Northern Europe: Peripherality, Marginality and Border Issues (Regions and Cities)

Regional Development in Northern Europe: Peripherality, Marginality and Border Issues (Regions and Cities)

This book draws on work from across northern Europe and is parallel and complementary to the network itself. By establishing an intellectual and practically orientated framework and platform, and by bringing together contributions defining the state-of-the-art and potential development paths in the field, it is the first volume to offer a systematic and scientific view from the periphery.
