Wake Island Pilot: A World War II Memoir (Memories of War) John F. Kinney

Wake Island Pilot is the story of John F. Kinney - hero, POW escapee, and aviation pioneer. It contains the first full-length account of a successful escape by a Marine captured in one of the great battles of World War II. Within hours of the Pearl Harbor attack, the Japanese struck the small U.S. garrison on Wake Island. As his squadron's engineering officer, young pilot John F. Kinney used all his considerable ingenuity to oversee the cannibalization of crippled planes for spare parts when he himself was not in the air fighting off the Japanese assault. His gallant efforts helped enable the desperate Marine and Navy defenders to hold out for an incredible two weeks, a truly epic struggle. After the island's inevitable surrender, Kinney was a Japanese prisoner in China for the next three and a half years. During this time, he put his amazingly inventive mechanical skills to work, creating from scratch numerous items, including a radio, to improve his fellow POWs' situation. Toward the end of the war, Kinney escaped from a prison train and, with the assistance of both Nationalist and Communist Chinese troops, made his way to an American airfield. He was thus one of the few Americans to escape from Japanese captivity outside the Philippines. General Kinney's subsequent Marine Corps career was equally distinguished: He flew fighters in the Korean War and helped develop the classic A4-D Skyhawk.

From reader reviews:

Jose Anderson:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each guide has different aim or perhaps goal; it means that reserve has different type. Some people feel enjoy to spend their a chance to read a book. They are really reading whatever they take because their hobby is reading a book. Think about the person who don't like looking at a book? Sometime, person feel need book after they found difficult problem or even exercise. Well, probably you will want this Wake Island Pilot: A World War II Memoir (Memories of War).

George Hinnenkamp:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, what the best subject for that? Just you can be answered for that query above. Every person has different personality and hobby for every other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book Wake Island Pilot: A World War II Memoir (Memories of War). All type of book can you see on many sources. You can look for the internet methods or other social media.

Laurie Riley:

The reason? Because this Wake Island Pilot: A World War II Memoir (Memories of War) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret the idea inside. Reading this book adjacent to it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking method. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Kristen Hancock:

Your reading sixth sense will not betray an individual, why because this Wake Island Pilot: A World War II Memoir (Memories of War) e-book written by well-known writer who really knows well how to make book which might be understand by anyone who else read the book. Written throughout good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still skepticism Wake Island Pilot: A World War II Memoir (Memories of War) as good book not just by the cover but also by the content. This is one e-book that can break don't judge book by its protect, so do you still needing another sixth sense to pick that!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.
